# KAISER300

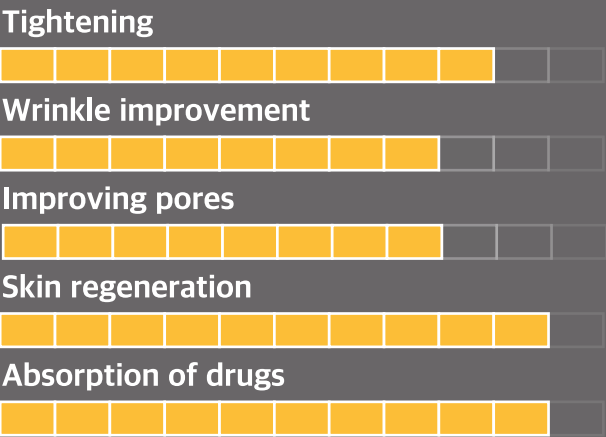

Premium Rejuvenation Device

*“Professional Laser Device for Optimizing Skin Rejuvenation”*

Rejuvenate your aged skin with KAISER300  
The World First 300µm Laser System for Optimized Skin Renewal Synthesis

**300µm**  
focusing target-based innovative technique

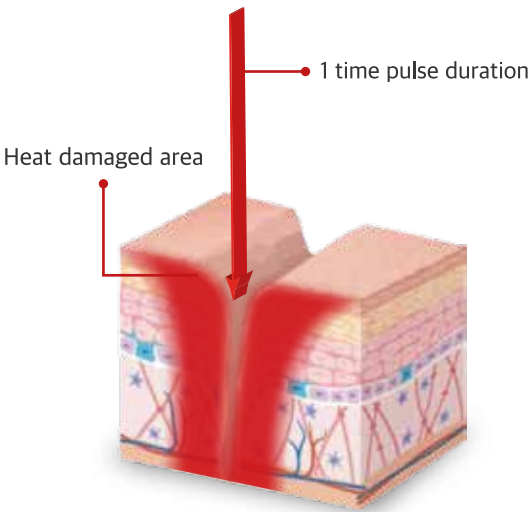

**\*Why should we target 300µm?**  
Focus on stimulating the fibroblasts in papillary dermis in the exact depth of 300µm, KAISER300 can maximize the regeneration effect to a scale that is far beyond from any user’s expectation

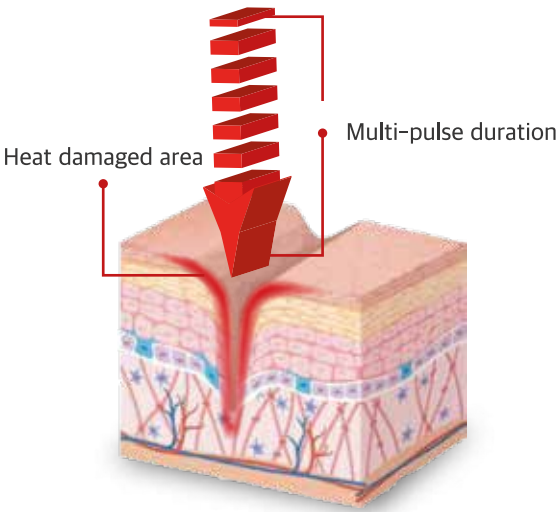

Patent No. 10-2239058  
Apparatus for irradiating light
